

## BRILLANTMONT International School

### High School Programme

The High School welcomes students from 9<sup>th</sup> to 12<sup>th</sup> Grade. Brillantmont International School offers a broad and comprehensive curriculum for its High School students which takes into account the international setting of Brillantmont and the multicultural nature of its student body. At every grade level, each student has a personalised timetable, which develops his / her strengths and challenges intellectually.

### Courses offered

The availability of courses depends on student interest, available staffing and timetable limitations.
