P.E.E

Point Evidence Explanation / Evaluation

- **Point** to be made in the TOPIC SENTENCE, the first sentence in a paragraph. Which should relate directly to the key words in the question, clearly stating one idea which you are going to explain.
- **Evidence** is the middle of the paragraph, the body. It could be a fact, quote or example.
- **Explanation** requires the use of connective words such as because, therefore, however, consequently, due to, as a result etc.
- **Evaluation** is the consideration of evidence in order to reach a judgement or conclusion. How convincing is the evidence? Have you explained the strengths and weaknesses?

The **concluding sentence** is the last sentence in a paragraph and should relate directly to the key words in the question, clearly stating the result of your evaluation.
