*"I would like to thank you all for once more giving our children such a wonderful time at BM! I am so glad to have been able to share my experience with my children. The three of them have loved it and have very fond memories of their time there, as do I."*

Mother of C. from Argentina, 11th family member to attend BM, Summer 2022

A Swiss summer is the best! You'll enjoy exploring our cities and getting active on weekend trips to the lakes and mountains. There's so much for you to discover. Evenings are fun filled - treasure hunts, talent nights, international olympics, cooking, trampoline, climbing, ice skating, bowling and our weekly disco.

Our spectacular campus is in Lausanne, in French speaking Switzerland and overlooks the lake and Alps. You'll share a room with one or two students from another nationality and make friends from all over the world. You'll become more independent and confident; you won't want to leave!
