Afternoon activity option (if you do not wish to have the standard multi-sports programme):

Four afternoons per week, you will take multi-sports classes and enjoy a variety of sports on campus or by the lake.

However, on a Tuesday and Thursday afternoon, you can choose to focus on a different activity instead of multi-sports. Group sizes are limited, so it may not always be possible to give you your first choice of activity.

Please number your choices in order of preference. 1= your first choice; 4= your last choice

Multi-sports 4 afternoons per week (standard programme)	I prefer to follow the standard programme of multi-sports and will try a new, fun sports activity every day on campus or by the lake.
Tennis 2 afternoons per week	Enjoy intensive tennis, build your technique and learn winning tips with our professional coach.
Creative arts 2 afternoons per week	Get creative in our art studio with our experienced art teacher. Use different media and experiment in oils, drawing, photography, sculpture, crafts and learn about the artists and designers who shape our world.
French + (min. level intermediate) 2 afternoons per week	Develop your French writing and dissertation skills as well as literary analysis. Take your French to the next level.
