

Winter Course in Switzerland - an experience to remember!

**Winter Course Dates 2022:
Saturday 8th January to Saturday 12th February 2022**

Founded in 1882 and still owned and run by the founding family, Brillantmont is an international co-educational boarding and day school. Fully accredited by NEASC and CIS, it is in the centre of Lausanne, in the French-speaking part of Switzerland, overlooking Lake Lemman and the Alps.

The size of the school and the outstanding care and support creates a warm, family environment in which every student feels at home and thrives in and out of the classroom.

Winter Course students are fully integrated into school life and live and study alongside the regular school year students, making friendships and connections for life.

It is a great opportunity to learn new skills in an international environment, whilst enjoying skiing and a Swiss winter. Who knows - maybe you'll want to extend your stay!
